

OPEN CUT OR BORE PERMIT
DOVER TOWNSHIP, OHIO

Subject to all terms conditions and restrictions printed or written below, permission is hereby granted to: _____

For the purpose of: _____

Line shall be marked with permanent markers and the casing shall extend through the ditch areas. Line shall be installed at a minimum of 42" below the surface, except that line shall be installed a minimum of 30" below ditch grade. Where possible, all utilities shall be installed within 5 feet of outer right-of-way limits.

All the work herein contemplated shall be done under the supervision and to the satisfaction of the Road Supt., and the entire expense thereof shall be borne by the party or parties to whom this permit is issued. **NOTIFICATION SHALL BE GIVEN TO THE ROAD SUPT. AT LEAST 24 HOURS PRIOR TO COMMENCING WORK.**

If, in the process of any future work it becomes necessary, in the opinion of the Supt. and/or the Township Trustees, to order the removal, reconstruction, relocation or repair of any of the fixtures or work performed under this permit, said removal, reconstruction, relocation or repair shall be wholly at the expense of the owner thereof and be made as directed by the Supt. and/or the Trustees. If, in the future, the Township initiates construction work, including utility installation, in the area of this permit, the permit holder shall be responsible for any required hand excavating and exposing of the utility line covered by this permit. The Township and its agents will exercise due caution in its work, but the owner of the utility will be responsible for repairs due to inadvertent damage to the utility line by the Township or its agents.

At all times during the progress of the work, adequate protection shall be provided by the permit holder for the traveling public. When requested, not more than one-half of the traveled roadway shall be closed. Barriers shall be erected and maintained as may be necessary for the protection of the traveling public; the same shall be properly lighted at night; and the party or parties to whom this permit is issued shall be responsible for all damages to persons or property due to or resulting from any work done under this permit. Permit holder will be responsible for keeping trench backfilled until time trench is permanently fixed to Township specifications. (4" blacktop, compacted)

Any expense of the Township which may occur as a result of this project, including necessary inspection, shall be billed to the owner of this permit.

This permit gives only the rights that are under the control of the Township and is not a guarantee that any other permits, right-or-ways, or easements are not needed.

I/We agree to comply with all the conditions, restrictions and regulations as described above.
